

Every volunteer at The Works is of vital importance to the continued viability of the program. Without the tremendous power of the volunteer force The Works would be unable to function. We appreciate your dedication to the children of Shoreline.

The committee of The Works is putting in place a new policy in regards to the age of our Wednesday night volunteers. The purpose of this policy is to protect the confidentiality of the families we serve. Wednesday evening volunteering is not open to students in grades six and below. Students who are in need of community service hours and are 7th to 12th grade may contact the volunteer coordinators to arrange volunteer time. They will be asked to sign a modified student volunteer agreement.

Grade school children who are passionate and want to support The Works can do so in these ways:

- Help with a product drive in your school.
- Hold a product drive at a birthday party or family event.
- Bring your Boy Scout troop, Girl Scout troop, church youth group or form your own group and set up a time with the volunteer coordinators to package product.
- Help in the summer to get ready for The Back to School Event.
- Think of an idea of your own about how you can support The Works and share it with The Works Committee.

Once again we thank you for your hard work and diligence in keeping The Works a functioning part of the Shoreline community.
