How YOU can help:

Private and corporate support allows us to meet families' needs as they continue to grow. Donations of gently used clothing, new socks, underwear, hygiene products, money, and volunteer time support the families that we serve.

Donate Money

It takes approximately \$12,000 to run our program every year, so every donation makes a huge difference. Go to www.shorelinepta.org to make a monetary donation.

Donate Clothing

Donations of gently used clothing, new socks, underwear, and hygiene products can be dropped off at The WORKS on any Wednesday evening (when school is in session) from 6:00pm to 8:00pm.

Donate Time

Volunteers are needed to help on site on Wednesdays and for special projects. Shorecrest and Shorewood students, Boy and Girl Scouts, and several other school groups have all earned community service hours by volunteering at The WORKS. We also encourage community groups to participate.

Clothes say you belong.

When a child enters their classroom, their clothes tell their story: whether they love sports or music, whether they are wealthy or don't even have access to laundry facilities. Clothes reflect the culture in which you live.

The Shoreline PTA Council partners with local PTAs to provide clothing assistance to Shoreline School District students. PTAs also provide funding and volunteers to coordinate local clothing donations, product drives, and volunteer at The WORKS on the school's assigned nights.

Shoreline families experiencing economic hardship have the opportunity to find clothes at The WORKS that tell the story that best reflects them. Children and teens can "shop" for gently used, stylish clothing and receive new underwear, socks and hygiene products.
