Introduction

Reviewed, Updated -

1. committee's mission statement

Shoreline PTA Council - Hi-Cap Advocacy committee was formed to support the needs of our Highly Capable students (K-12) in the Shoreline School District through the collaborative efforts of our parents, educators and administrators. Our group's objectives are to build community among Hi-Cap families and to increase awareness of the academic/social/emotional needs of Hi-Cap students.

2. committee's goals

- 1) act as a liaison between OSPI, school district and the local PTA/schools,
- 2) organize events for education and awareness purpose,
- 3) develop collaborative relationships with school district administration,
- 4) offer community connecting opportunities
- 5) support and assist Hi-Cap students towards self-advocacy
