

# WSPTA-PEMCO INSURANCE PARTNERSHIP

At PEMCO, 'We're a lot like you. A little different.' You volunteer your time to better education. You spend countless hours beautifying schools, collecting school supplies, and educating parents. All because you want what's best for students. We thank you for your commitment to going above and beyond ... for being 'a little different.' Let us say 'thank you' by supporting your efforts.

Beginning September 2014 and going through June 2015, we're offering each local unit in Region 6 the following opportunities. Please choose one of the options below:

- **Meeting Support:** We're happy to stop into one of your meetings and bring snacks. We always travel with giveaways and door prizes, too! And, we'd love to share our insurance knowledge to make sure you, and your loved ones, are protected during your greatest times of need. We'll do this for one of your meetings anytime this school year.
- **Presentations:** We'd love to share our insurance knowledge with you. What do you need to know as a parent of a teen driver? Does your senior need to be thinking about renters insurance as they move on to the next chapter of their lives? What is umbrella insurance? We're excited to answer those questions and any others you may have.
- **Local Unit Sponsorship:** We'll provide matching dollars of up to \$100 towards an existing program, event, or speaker presentation your local unit is conducting. This includes: Safety and Parent Education Programs, Community Service or School Support Events, and Guest Speakers at meetings.

Your passion for education is shared. We were founded by a teacher in 1949 and are committed to supporting educators and those that support education. As a WSPTA partner, we'd appreciate the opportunity to support the work you're doing!

**To make arrangements, please contact:**
